

## **Pressrelease 01/21/2008**

### **Novotek acquires Elmega OY in Finland.**

Novotek, a leading supplier of industrial-IT and automation solutions based on standard products and components, strengthens its position by acquiring 100 percent of the Elmega's OY shares.

The Finnish company, Elmega OY, has for a long period of time worked with well-known domestic and international clients within the process- and manufacturing market. Elmega OY is specializing in the automation market.

Thanks to this acquisition, Novotek will expand its activities in Finland, as Elmega OY becomes Novotek's third office located in Finland. This office will be an important base for the expansion in and from the area of Vasa.

Elmega OY today has 5 employees and during 2007 the company's turnover was approximately SEK 4,5 millions, with SEK 400.000 in profit.

The acquisition has been paid in cash. All of Elmega's activities will be integrated in Novotek Finland OY.
